The Men's Club Program

The Cordova Bay Men's Club provides our members with a multitude of ways to further enjoy Cordova Bay. A group of over 500 are active throughout the season.

We host a Men's Night in season for our members and their guests. Men's Night is Thursdays and includes golf, prizes, and dinner. Members are welcome to register for men's night at the outset of the season to secure a tee time for the entire summer. It's an easy way to make a steady date for golf in your hectic calendar.

The Men's Club hosts tournaments approximately once a month throughout the year. The tournaments are a great way to test your skill and meet your fellow men's club members. Combine these events with opportunities to represent your club in interclub competition and participation in our season long Mattick's Cup and you are certain to be busy year round.

All Men's Club members receive Golf Canada and BC Golf memberships, which provides a home course handicap and a factor allowing you to participate in many local and out of town tournaments, as well as subscription to Golf Canada Magazine.

The Men's Club season wraps up with the Last Chance event and the AGM in November. All men's club members are welcome to attend the AGM. The men's club executive will elect officers for the coming season at the AGM. Any member who is keen to serve on the executive is welcome to put their name forward for openings.

The Ladies' Club Program

The Cordova Bay Ladies' Club is one of the largest in British Columbia. Comprised of nearly 250 women, the Ladies' Club offers our members a great home base; the perfect environment to make new friends and enjoy golf.

Every Tuesday and Saturday the ladies get together and enjoy a 'Ladies' day'; a day dedicated to ladies golf, full of fun, casual competition and camaraderie. You do not need to organize a group – we do it for you! Several special events round out the year, each with a different feel and experience, but all founded on the same premise to enjoy the game of golf!

Ladies are welcome to participate in Interclub matches that take place throughout the city and lower island. Players are chosen based on availability.

All Ladies' Club members receive Golf Canada and BC Golf memberships, which provides a home course handicap and a factor allowing you to participate in many local and out of town tournaments, as well as subscriptions to Golf Canada Magazine.

Each year the Ladies' Club hosts two Annual General Meetings in March (Spring Opener) and October (Fall Meeting and Awards). Ladies are encouraged to attend these meetings. If you have ideas and opinions and would like to make a difference, positions on our Ladies' Executive are available each year. Any member is welcome to put their name forward. The positions are 2 year terms.

REBATE PROGRAM

Frequent Player Rebate Program

The Frequent Player Rebate Program is available to all Men's and Ladies' Club Members. Green fee rebates are accumulated over the Membership Year (March 1st - February 29th) and credited to your account on the last day of February.

- Rebates are calculated solely on net green fee expenditures, which excludes taxes and prize dollars.
- Green fee expenditures for special events, special tee times and tournaments do not qualify. Special events such as 9 & Dine and Men's Night already have discounted green fees and do not qualify.

Only green fees for the "Account Member" qualify for rebates. A maximum of one green fee per day will be counted. We encourage members golfing together to charge to their own accounts to maximize rebate earning potential.

The Progressive Rebate Structure:

- *Level 1: 10% rebate after green fee expenditures of \$1,750
- *Level 2: 18% rebate after green fee expenditures of \$2,750
- *Level 3: 50% rebate after green fee expenditures of \$3,850

No rebates are earned until you reach the initial threshold figure of \$1,750. Your rebate depends on the threshold figure you reach at the end of the year. If you reach the first or second level you will receive 10% or 18% discount on all qualifying expenditures. Qualifying expenditures in excess of \$3,850 will earn credits of 50% of the amount spent **over** \$3,850.
