

## Winter Golf at Cordova Bay 2020-2021

It has certainly been quite the summer season!

As we approach winter, we are making plans for our winter programs to both ensure the best access to our facility while ensuring a safe environment for all members of our Cordova Bay community.

Outlined below are the key components of our winter plan as they relate to each aspect of our operation.

### Bay Course

Winter rates will be in effect from **November 1st 2020 - March 14th 2021**

There will no Winter League as in previous years. In lieu, there will be a daily / seasonal competition introduced as a complimentary inclusion for Men's and Ladies Club members only beginning November 1st.

Tee Times will run from the 1st tee only beginning at 8am (to be adjusted earlier for February / March) with tee time intervals of 9 minutes. There will be no crossover or shotgun starts. Morning Back 9 tee times will be limited but remain available, frost permitting.

Daily twilight rate will begin at 12:30pm (to be adjusted later for February / March). There will also be a 9-hole rate available daily after 2pm, which will include a complimentary \$10 food voucher valid for dine in or take out in Bill Mattick's Restaurant (kiosk excluded).

Members will be extended an advance booking privilege of 16 days with access beginning at 7am.

Frost delays will result in a straight time delay regardless of length, Your start time + length of delay will be your revised tee time. There will be no shotgun starts this

season so that we are not bringing upwards of 100 players together at one time.

The gate will remain closed until 30 minutes prior to the starting time as to further avoid congregating players.

On frosty days, our golf course will open with up to 3 temporary greens if required. Temporary greens will be removed through the day as the frost permits. The use of temporary greens may allow for a shorter delay in starting times.

## Pro Shop and Retail

The Pro Shop will remain open to players with a strict capacity of 3 players welcome inside at any time. Members wishing to check in with the starter may proceed directly to the tee and fees will be billed to your account.

Our satellite retail shop at the Ridge is open by appointment. In addition to our current offerings, we have a collection of winter necessities in stock and more en route. Set up a time for personal shopping with Dorothy or Stephanie. [Contact Dorothy here](#)

## Ridge Course

The Ridge Course will remain open with limited operating hours. Tee times are required and may be booked online or by phone.

Frost delays will result in a straight time delay regardless of length. Your start time + length of delay will be your revised tee time.

The Ridge Clubhouse and Café will remain closed to players and customers. A small selection of beverages and snacks will be available through our take out window. Washroom access is available both on course and on the north side of the building.

PARC short game area will remain open by reservation only.

The Ridge Winter League program will not run in 2020-21.

---

## Driving Range

The Driving Range will continue operating in the current fashion. This includes six stalls for 30-minute or 60-minute practice sessions, four stalls for pre-game warm up, and two stalls for coaching programs.

Access to the warm up stalls is at the direction of the starter.

Range Keys remain suspended for the time being.

# Bill Mattick's Restaurant

Bill Mattick's will continue to operate by reservation only. Reservations required for post round drinks, casual dining, or dinner service. Kiosk will be open during play every day.

Seating is limited per direction of the Public Health Officer and will be adjusted to reflect all current protocols in place.

Restaurant hours are 11:30 – 7pm daily for both dine in and take out.
