

Job Opportunity

Unique. Fun. Thrilling.

Cordova Bay Golf Course is an 18-hole daily fee golf course. The facility also includes The Ridge, a 9-hole par 3 golf course, Bill Mattick's Restaurant, a driving range, pro shop, and instructional program. Throughout the organization, we are committed to continuous improvement, delivering an outstanding customer experience and having a heck of a good time while doing so. The responsibility for delivering on this mission lies with every single person on staff. Some days that means helping out other team members with their jobs, sometimes it means fixing a customer's flat tire, or launching a rescue mission to get a pull cart out of a pond. It can mean singing happy birthday when a customer walks into the pro shop. It always means picking up litter on the property. Our team is the life blood of the organization. "Not in my job description" is considered to be heresy. We are a team and we will succeed or fail as one. We are fully committed to ensuring that we succeed.

Welcome to Cordova Bay Golf Course, the best golf course on Cordova Bay Road.
