Men's Club Program

The Cordova Bay Men's Club provides our members with a multitude of options to further enjoy Cordova Bay.

We host a Men's Night in season (April - September) for our members. Men's Night is on Thursdays and includes golf, prizes, and a dinner voucher.

Men's Club members are invited to participate in club tournaments approximately once a month in season. The tournaments are a great way to test your skill and meet your fellow Men's Club members. If these competitive opportunities are not enough to stoke your inner Rory, you may also try to qualify for an Interclub Team and carry the Cordova Bay flag in competitions throughout the lower island.

As a 2026 Men's Club member, you are also a member of Golf Canada. The Golf Canada membership provides a home course handicap and a factor allowing you to participate in many local and out of town tournaments, as well as access to many member benefits provided by Golf Canada.

Ladies Club Program

The Cordova Bay Ladies Club has one of the largest rosters in British Columbia. It offers our members a great home base, the perfect environment to make new friends and enjoy golf.

Ladies Days are organized on Saturdays and Tuesdays starting April and running through October. They include a day of casual competition, camaraderie, and fun! You do not need to organize a group – we do it for you! Several special events round out the year, each with a different feel and experience, but all founded on the same premise to enjoy the game of golf. BONUS: You don't have to putt out if you don't want to.

Ladies are welcome to participate in Interclub matches that take place throughout the city and lower island. Players are chosen based on availability. Registration opens in March.

As a Cordova Bay Ladies Club member, you are also a member of Golf Canada. Golf Canada membership provides a home course handicap and a factor allowing you to participate in many local and out of town tournaments, as well as access to many member benefits provided by Golf Canada.

Weekly Member Programs

MEN'S NIGHT

The Men's Night program will run from April through September. Tee times will be set aside for players from 11:00 - 4:00 weekly. Each week members compete for prizes and glory. Guests are welcome, sandbagging guests ... not so much! Registration details will be announced in March 2026 in our weekly Club News.

LADIES DAY

Ladies Day will run Tuesday morning, Tuesday afternoon, and Saturday after 11:00 am for the coming season. Our season will begin in April and run weekly through October. Ladies Club members will also be able to participate in special event days to be hosted on select Tuesdays and Saturdays through the year. Ladies Day registration is limited to one guest per member (regular green fee rates apply).

Registration details will be announced in March 2026 in our weekly Club News.

Tee Time Booking Policy

Effective for the 2026 Season

At Cordova Bay, we strive to make tee time access as fair, friendly, and frustration-free as humanly possible. While we'd love to live in a world where every golfer gets their dream tee time every single day... we live in this world, where 700+ enthusiastic members are competing for roughly 60 tee times. As Mick Jagger famously pointed out, you can't always get what you want—and he wasn't even trying to book a Saturday at 8:04 AM.

To keep the process balanced for everyone, please read and follow the policies below:

1. Tee Sheets Open at 7:00 AM — Precisely

Tee times become available 10 days in advance of play. Not 6:59.

If you hear cheering or swearing at that time, it's probably one of your fellow members clicking "refresh."

2. Only One Person Per Group Should Book the Tee Time

This is important. This is fairness. This is sanity-preserving.

When multiple players from the same group each grab a tee time "just in case," it clogs the system and blocks opportunities for others.

We've seen groups book five tee times for the same foursome... only to release the extras later.

This leads to:

- Frustrated members,
- Cursed computer screens, and
- Phone calls to us seeking sympathy we simply cannot provide (we see the exact same tee sheet as you do).

3. Duplicate Bookings Will Be Cancelled at 9:00 AM

All of them.

If multiple tee times have been booked by members of the same group, and you haven't cleaned up your booking pile by 9:00 AM on the same morning, the system will wipe the slate clean.

Your group could go from multiple tee times... to zero tee times.

Please tidy up before the deadline.

Tee Time Booking Policy

4. The Waitlist Feature (Introduced in 2025)

If you didn't get what you wanted (see Mick Jagger reference above), you can now join the tee time waitlist for your preferred window.

If a cancellation appears that matches your criteria, the system will notify you.

This has already proven to be a lifesaver for many.

5. Group Rosters Must Be Confirmed 2 Days Before Play

We understand that many groups don't finalize who's playing 10 days out.

However, we must ensure the tee sheet is accurate and available to others.

Therefore:

- If your group's players are not confirmed by 9:00 AM, two days before play,
 - We will cancel the booking and release the tee time back into inventory.
-

6. No-Show Charges

Beginning this season, any no-show will be charged the full posted green fee rate—no exceptions. Players who vanish into the mist create gaps on the tee sheet and reduce availability for everyone else. Please make sure your group members are committed... or removed before the roster deadlines.

Thank You for Helping Keep the System Fair!

We appreciate your cooperation in making tee time access as smooth and equitable as possible. A little courtesy, a little organization, and a little rock-and-roll wisdom go a long way.

See you on the tee!

Only green fees for the "Account Member" qualify for rebates. A maximum of one green fee per day will be counted. We encourage members golfing together to charge to their own accounts to maximize rebate earning potential.
