

## Week of March 23 – March 30

**Scope of Work:** Materials will arrive. You may also hear a bit of noise as the asphalt around the maintenance building will be cut in order to facilitate main water line connection.

**Holes Closed:** none

**Starting Tee:** 1

**Optional Hole:** n/a

*Be advised that weather, ground conditions, and other conditions outside of our control may affect schedules.*

To help avoid surprises:

- Please pay close attention to our 48-hour reminder communications
- Check *Today at The Bay* on your day of play for the most current course updates

We appreciate your patience and understanding as we complete this important investment in the long-term health and playability of the golf course.

Thank you for your support as we continue the [Turf Revival Tour](#).
