

## **IRRIGATION PROJECT UPDATE - APRIL 15**

Mother Nature called an audible yesterday, so rather than turning the golf course into a mud-wrestling venue, the crew wisely kept things light. Work shifted to the shop yard, where equipment got some well-earned attention to keep everything running smoothly for the days ahead.

Looking ahead (weather willing and turf forgiving):  
The plan is to extend the 10-inch mainline across the 18th fairway starting April 15, with work continuing over the following days.

What golfers need to know:

- No holes are closed (still holding the line).
- Hole #18 will play as a par 3 while work progresses.
- Starting hole remains #1.
- Score Entry - Enter a 0 on the 18<sup>th</sup> hole

As always, a little patience goes a long way while we upgrade the course beneath your feet... and occasionally beneath your ball.
